

**Curriculum Vitae
June 2017**

PERSONAL INFORMATION:

Robin Lynn Foster, M.D. FAAP FACEP

**Director of the Child Protection Team
Associate Professor of Emergency Medicine and Pediatrics**

**Virginia Commonwealth University Medical Center
Post Office Box 980137
Richmond, Virginia 23298
(804) 828-7400
(804) 828-1151
robin.foster@vcuhealth.org**

PROFESSIONAL SUMMARY:

**Pediatric Emergency Medicine and Child Abuse and Neglect
Virginia Commonwealth University Health System
Key Words: Child Abuse and Neglect, Emergency Medical Services, Global
Health, Injury Prevention, Violence Prevention, Pediatric Transport, Legislative
Advocacy**

POSTGRADUATE:

**Fellowship, Pediatric Emergency Medicine, St. Christopher's Hospital for
Children, Philadelphia, PA - 7/94 – 6/96**

Residency, Pediatrics, VCU/MCV 6/89 – 6/92

GRADUATE:

**Virginia Commonwealth University/ Medical College of Virginia - 8/85-6/89
Doctor of Medicine**

Vice President of Class 1985-1987

UNDERGRADUATE:

**College of William and Mary
BS in Chemistry**

9/81- 5/85

LICENSURE:

Commonwealth of Virginia, #0101046961 – 8/1/91-4/30/16

CERTIFICATION:

**American Board of Pediatrics: General Pediatrics – 10/93-current
American Board of Pediatrics: Pediatric Emergency Medicine – 11/96 –
current
American Board of Pediatrics: Child Abuse—11/2011-current
ABLS 04/2014-2018
PALS 01/16-01/18
PALS instructor 01/16-01/18**

ACADEMIC APPOINTMENT HISTORY

**Associate Chairman of Emergency Medicine
Virginia Commonwealth University Health System, Medical College of
Virginia 10/08-12**

**Division Chairman Pediatric Emergency
Virginia Commonwealth University Health System, Medical College of
Virginia 6/2009-9/2016**

**Medical Director of Pediatric Emergency Services
Virginia Commonwealth University Health System, Medical College of
Virginia 7/1997-6/2009**

Medical Director of the Child Protective Team

Virginia Commonwealth University Health System, Medical College of Virginia 7/1992-6/1994 and 7/1997-current

**Associate Professor Pediatrics and Emergency Medicine
Virginia Commonwealth University Health System, Medical College of Virginia 7/03-Present**

Assistant Professor Pediatrics and Emergency Medicine Virginia Commonwealth University Health System, Medical College of Virginia – 7/96 – 7/03

Medical Director, Pediatric Transport Team, Virginia Commonwealth University Health System, Medical College of Virginia 07/96-06/2011

Adjunct Assistant Professor, Department of Emergency Medicine, Medical College of Pennsylvania and Hahnemann University – 7/95 – 6/96

Instructor, Department of Emergency Medicine, St. Christopher's Hospital for Children – 7/94 – 6/96

Instructor, Department of Pediatrics, Virginia Commonwealth University/Medical College of Virginia 7/92-6/94

National Cancer Society Summer Fellowship 1986-1987

American Academy of Pediatrics Fellow 1992-present

American College of Emergency Physicians – 2003-present

American College of Emergency Physicians Fellow – 2007 – present

American Professional Society on the Abuse of Children—1992-2000, 2016-current

Virginia Chapter of the American Academy of Pediatrics Child Advocacy Award in Child Abuse 2008

VCU 40 Acts of Caring Award for Bridging the Gap Co Investigator 2008

YWCA Outstanding Women Award for Health and Science 2009

Prevent Child Abuse Virginia Child Champion Award 2009

Working Mother Nominee for VCU Health System 2009

Regional ODEMSA EMS for Children Award 2009

M1 Behavioral Science Outstanding Teacher Award 2010

VCUHS Physician Champion 2013

Child Advocate Award Virginia Commonwealth Attorneys 2013

Spirit of Child Advocacy Award Children's Hospital of Richmond 2013

Virginia Lawyers Weekly's Influential Women of Virginia Class of 2015

M3 Clerkship Pediatrics Excellence in Teaching Award October 2015

Virginia Governors Award EMS for Children 2015

Reach Out and Read Virginia Coalition Literacy Champion Award 2016

Medical Society of Virginia Salute to Service Award for the Uninsured and Underserved 2016

**Alpha Omega Alpha Faculty Induction to VCU School of Medicine Brown
Sequard Chapter 2017**

MEMBERSHIP IN COMMITTEES

HOSPITAL COMMITTEES:

Trauma Care Committee – 1992-1994

Emergency Medicine Patient Care Committee – 1997 - 2016

Belfer R, Foster R: Case Presentation: Near Drowning. (AAP:Transport Medicine Section -Fall 1996, Boston, MA)

King B, Foster R: Clinical Skills Assessment of Nurses Preparing for Training as Advanced Practice Transport Nurses. (AAP: Transport Medicine Section-Fall 1996, Boston, MA)

Johnson MH, Leshner RT, Foster RL, Crevi D: Acute Childhood Stroke: Diagnostic Patterns on Emergent CT (Radiology Symp North America, 1997)

King, B, Foster, R, McCans,K: Patient Outcomes After Conversion To A Nurse-Led Transport Team: A Preliminary Report. (AAP:Transport Medicine Section-October 10,1999, Washington, D.C.)

Muniz AE, Foster R, Ramaiah V: Laryngeal Trauma Mimicking Croup. Southern Medical Journal 1999;92:563. 93rd Annual Scientific Assembly of the Southern Medical Association, Section of Otolaryngology, Dallas, Texas, November 1999.

Muniz AE, Foster R: Delayed Diagnosis of a Subdural Hematoma in an Infant Who Presents With Lethargy and Fever. Southern Medical Journal 1999;92:596. 93rd Annual Scientific Assembly of the Southern Medical Association, Section of Emergency Medicine, Dallas, Texas, November 1999.

Muniz AE, Foster R: Change in Mental Status due to Hypocalcaemia in a Child with Bipolar Disease. Southern Medical Journal 1999;92: 572. 93rd Annual Scientific Assembly of the Southern Medical Association, Section of Pediatric & Adolescent Medicine, Dallas, Texas, November 1999.

Muniz AE, Foster RL: Unsuspected Acetaminophen Toxicity in a 58-day old infant. Pediatric Critical Care Medicine, 2001, 2 (4): 362 and Southern Medical Journal 2001: 94: S25-26. Presented at the 2001 American Academy of Pediatrics National Meeting, Section of Pediatric Critical Care Medicine, San Francisco, California, October, 2001 and the 95th Annual Scientific Assembly of the Southern Medical Association, Section of Pediatric and Adolescent Medicine, Nashville, Tennessee, November 2001.

Muniz, AE, Bartle, S, Foster, RL, Liner, ER: Procedures Performed by Emergency Medicine Residents and Pediatric Residents During Pediatric Interfacility Transports. Presented at the 5th Annual SEAM Mid-Atlantic Regional Meeting, Wilmington, Delaware, 2002.

Muniz, AE, Bartle S, Foster RL, Liner ER: Comparison Between the Performance of Emergency Medicine and Pediatric Resident During Pediatric Interfacility Transports. Academic Emergency Medicine 2002; 9 (5) 519-520. Presented at the 5th Annual SEAM Mid-Atlantic Regional Meeting, Wilmington, Delaware, 2002 and at the National Society for Academic Emergency Medicine Meeting, St. Louis, Missouri, May 2002.

Muñiz AE, Bartle S, Foster RL: Use of the electrocardiogram in a pediatric emergency department. Presented at the 6th Annual SEAM Mid-Atlantic Regional Meeting, Washington D.C, March, 2003.

Muñiz AE, Bartle S, Foster RL, Liner SR, Woleben C: FAST versus FAST, AST, ALT and urinalysis in children with blunt abdominal trauma. Academic Emergency Medicine 2003; 10 (5): 427-428. Presented at the 6th Annual SEAM Mid-Atlantic Regional Meeting, Washington D.C, March, 2003 and at the National Society for Academic Emergency Medicine Meeting, Boston, Massachusetts, May, 2003.

Muñiz AE, Bartle S, Foster RL, Woleben C, Liner S: Reappraisal of the urinalysis vs the FAST examination with limited laboratory studies (AST and urinalysis) in

the evaluation of children with blunt abdominal trauma. Presented at the 2003 American Academy of Pediatrics National Meeting, Section of Pediatric Emergency Medicine, New Orleans, Louisiana, November, 2003.

Muñiz AE, Foster RL: Multiple pulmonary nodules: Wegener's granulomatosis in a healthy adolescent. Southern Medical Journal 2003; 96 (10): S32-S33. Presented at the 97th Annual Scientific Assembly of the Southern Medical Association, Section of Pediatric & Adolescent Medicine, Atlanta, Georgia, November, 2003.

Muñiz AE, Bartle S, Foster RL: Effectiveness and use of the electrocardiogram in pediatric emergency department. Southern Medical Journal 2003; 96 (10): S32. Presented at the 97th Annual Scientific Assembly of the Southern Medical Association, Section of Pediatric & Adolescent Medicine, Atlanta, Georgia, November, 2003.

Muñiz AE, Bartle S, Foster RL, Woleben C, Liner S: Evaluation of blunt abdominal trauma in children: Reappraisal of the urinalysis vs the FAST examination with limited laboratory studies (AST and urinalysis). Southern Medical Journal 2003; 96 (10): S12. Presented at the 97th Annual Scientific Assembly of the Southern Medical Association, Section of Emergency Medicine, Atlanta, Georgia, November, 2003.

Muñiz AE, Woleben C, Bartle S, Foster RL, Liner S: Prevalence of significant bacterial infection in infants < 3 months of age with fever and RSV. Presented at the 7th Annual Southeastern Regional SAEM Meeting, Chapel Hill, North Carolina, March, 2004.

Muñiz AE, Bartle S, Woleben C, Liner S, Foster RL: Tachycardia, tachypnea and leukocytosis can identify children presenting with altered mental status from life-threatening causes. Presented at the 7th Annual Southeastern Regional SAEM Meeting, Chapel Hill, North Carolina, March, 2004.

Muñiz AE, Foster RL, Woleben C, Bartle S, Liner S: Comparison of three conscious sedation techniques in children: ketamine, fentanyl/midazolam, and propofol. Presented at the 7th Annual Southeastern Regional SAEM Meeting, Chapel Hill, North Carolina, March, 2004.

Muñiz AE, Bartle S, Foster RL, Woleben C, Liner S: Comparison of Pediatric Emergency Medicine and Emergency Medicine Physicians in the treatment of

infants < 1 month of age with fever. Presented at the 7th Annual Southeastern Regional SAEM Meeting, Chapel Hill, North Carolina, March, 2004.

Muñiz AE, Woleben C, Bartle S, Foster RL, Liner S: CT and shunt series: are they necessary for all children with VP shunts and symptoms suggesting shunt abnormality? Presented at the 7th Annual Southeastern Regional SAEM Meeting, Chapel Hill, North Carolina, March, 2004 and National Society for Academic Emergency Medicine Meeting, Orlando, Florida, May, 2004.

King B, Foster RL, McCans K: Outcomes of Pediatric Critical Care Transport with An Advanced Nurse Practice Model . Pediatric Transport Section American Academy of Pediatric Annual Meeting San Francisco, October 10,2004.

Muñiz AE, Bartle S, Woleben C, Foster RL, Liner S: Ketamine versus opioids and midazolam for conscious sedation in children in the emergency department. Presented at the 2004 ACEP Research Forum, San Francisco, CA, October 2004

Muñiz AE, Bartle S, Woleben C, Foster RL, Liner S: Urinary Tract Infection must be excluded in febrile infants less than 3 months of age with positive Respiratory Syncytial Virus (RSV) antigen test. Presented at the 2004 ACEP Research Forum, San Francisco, CA, October 2004.

Muñiz AE, Bartle S, Woleben C, Foster RL, Liner S: Prevalence of bacterial infection in febrile children less than 2 years of age with a positive Influenza A antigen test. Presented at the 2004 ACEP Research Forum, San Francisco, CA, October 2004.

Muñiz AE, Foster RL, Liner S: Seizures from severe Hyponatremia in an infant with Inflicted Traumatic Brain Injury (TBI). Southern Medical Journal, 2004; 97: S 33. Presented at the 98th Annual Scientific Assembly of the Southern Medical Association, Section of Pediatric & Adolescent, New Orleans, Louisiana, November, 2004.

Muñiz AE, Bartle S, Woleben C, Foster RL, Liner S: Parapharyngeal abscess in a child mimicking Torticollis. Southern Medical Journal, 2004; 97: S 332-33. Presented at the 98th Annual Scientific Assembly of the Southern Medical Association, Section of Pediatric & Adolescent, New Orleans, Louisiana, November, 2004.

Muñiz AE, Bartle S, Woleben C, Foster RL, Liner S: Altered mental status in children presenting to an emergency department. Southern Medical Journal, 2004; 97: S 32. Presented at the 98th Annual Scientific Assembly of the Southern Medical Association, Section of Pediatric & Adolescent, New Orleans, Louisiana, November, 2004.

Muñiz AE, Bartle S, Woleben C, Foster RL, Liner S: Evaluation of children with Ventriculoperitoneal (VP) shunts and signs and symptoms suggesting shunt malfunction. Southern Medical Journal, 2004; 97: S 327. Presented at the 98th Annual Scientific Assembly of the Southern Medical Association, Section of Neurosurgery, New Orleans, Louisiana, November, 2004.

Muñiz AE, Bartle S, Woleben C, Foster RL, Liner S: Urinary Tract Infection must be excluded in infants less than 3 months of age with fever and Respiratory Syncytial Virus (RSV). Southern Medical Journal, 2004; 97: S 11. Presented at the 98th Annual Scientific Assembly of the Southern Medical Association, Section of Emergency Medicine, New Orleans, Louisiana, November, 2004.

Muñiz AE, Bartle S, Woleben C, Foster RL, Liner S: Ketamine versus opioids and midazolam for conscious sedation in the emergency department. Southern Medical Journal, 2004; 97: S 11. Presented at the 98th Annual Scientific Assembly of the Southern Medical Association, Section of Emergency Medicine, New Orleans, Louisiana, November, 2004.

Muñiz AE, Liner S, Bartle S, Woleben C, Foster RL: Cecal diverticulitis mimicking appendicitis in a 16 year-old female. Southern Medical Journal, 2004; 97: S 9-10. Will be presented at the 98th Annual Scientific Assembly of the Southern Medical Association, Section of Emergency Medicine, New Orleans, Louisiana, November, 2004.

Muñiz AE, Woleben C, Bartle S, Woleben C, Foster RL, Liner S: Esophageal food impaction in children: 2 cases of unusual causes. Southern Medical Journal, 2004; 97: S 13-14. Presented at the 98th Annual Scientific Assembly of the Southern Medical Association, Section of Emergency Medicine, New Orleans, Louisiana, November, 2004.
